

2010 Trust Accounting Course (video conference)

Dates: February 2, 2010 or May 6, 2010

Approved for 3 Hours Continuing Education

(Funding provided by money collected for the Education Fund)

Get the latest information on Wyoming Trust Accounting Laws, Rules, Regulations, and Guidelines. This course is open to all licensees and the public, but will it be most beneficial to Responsible Brokers and those aspiring to become Responsible Brokers. Sign up early as seating is strictly limited. A variety of locations are being offered in an effort to minimize the distance a student has to travel to attend a class. The video conference system providers have assured me these classes will not have the "technical difficulties" experienced during the last broadcast. ***Please note that some of the cities are different for the February 2nd class than the May 6th class, so check both days for your nearest location.*** Please fill out the registration below indicating your desired date/location. This office will process registrations and reply via **email** to confirm your successful registration, to email you course material and provide a certificate of completion.
